MEMORANDUM FOR THE RECORD

Morning Meeting of 24 June 1968

DD/I drew attention to the annex in the 23 June Vietnam Situation Report, which provides a rundown of what appears to be a high-level North Vietnamese resolution outlining present Communist thinking on the war.

Godfrey briefed on the Gaullist victory in the first round of the French elections.

Godfrey noted that a Soviet tank unit is now participating in the Warsaw Pact exercise in Czechoslovakia.

D/ONE noted that once again DIA wishes to engage in an Estimate of the Soviet threat in the Mediterranean and that such an Estimate will be staved off in the absence of anything new to say.

25X1 [] proposed and the Director concurred in a two-week postponement of USIB consideration of the Chinese IGS paper.

DD/S reported that thirty equal opportunity employees have begun work at various tasks on the Headquarters grounds.

DD/S reported that two helicopters were lost in Laos.

Carver drew attention to the new Buddhist activity in Saigon.

Parrott briefed on today's PFIAB agenda, noting an Agency appearance before the Latin American Panel and a scheduled two-hour session with General Maxwell Taylor on the ABM program.

[]

DDCI indicated that he will be [] on Wednesday for the Air Force's award ceremony.
